

# LMS Compassion Place Miracle of Christmas 2017 Gift Basket Suggestions

LMS Compassion Place provides the boxes for the Christmas gifts, depending on the size of the family. **Please only use the boxes we provide you.** We do not have an unlimited source of boxes as they are donated to us and we will provide the number you should need. Boxes may be either small or large, depending on the number of people in the family. It is usually one small box for families of 1-2, and a combination of large and small for larger families. The small boxes measure 12 ½” W x 15 ½” L x 10” H, and the large boxes measure 12 ½” W x 25” L x 10½” H. (Please note, this is a new size for the large boxes.)

**All gifts must fit inside the box and the lid must close.** Please do not include gifts that are too large to fit inside the box. This ensures confidentiality and that all gifts are received by the designated family.

Please **do not wrap any of the gifts**, but make sure to use a tag or post-it to label who the gift is for (gender and age). Wrapping the gifts makes it harder to fit everything in the box. You may include gift bags, or a **short** roll of wrapping paper (as long as it fits in the box).

Compassion Place Centers are always glad to take your used donations, but for the Miracle of Christmas **all gifts should be new and in their original wrapping.**
